Getting Started

Q. Who is your Adviser?

Your adviser will be Wayne Kampen and New Wave Financial Planning who are authorised to act on behalf of NWG Financial Services.

Wayne Kampen has been involved in the finance industry for over 15 years. Wayne enjoys providing financial advice that assists with meeting goals as well as providing practical knowledge. Wayne's passion for the finance industry has led him to completing a Bachelor of Commerce degree majoring in Financial Planning. He is also a specialist SMSF adviser.

He is the Director of New Wave Financial Planning and NWG Financial Services.

Q. Who is responsible for the advice given to you?

NWG Financial Services is responsible for the financial services provided to you.

Provision of Advice

Q. When will you receive a Statement of Advice?

You are required to receive a Statement of Advice whenever our Authorised Representative provides you with personal advice which takes into account your objectives, financial situation and needs. This Statement of Advice will contain the basis on which the advice is given, personal information, recommendations and information about fees, remuneration and associations which may have influenced the provision of the advice.

Thereafter, if your circumstances have not significantly changed our Authorised Representative can provide you with another Statement of Advice or a Record of Advice as a confirmation of the advice provided. You are able to request a copy of these documents at any time up to a period of seven years.

Product Disclosure Statement

When our Authorised Representative makes a recommendation to acquire a particular financial product, you must also be provided with a Product Disclosure Statement from the issuing product provider which gives full details of the recommended product to assist in making an informed decision to acquire that product.

Q. How will you pay for the services provided?

A fee may be charged for our services. This may be waived or partially offset by brokerage, commission or fees if you proceed. Upon implementation of the recommendations, our Authorised Representative may receive an upfront fee, commission (for risk insurance products) or a combination of both depending on how you agree to pay for the services. Fees can be based on total funds placed, the time spent on the services you receive, or as agreed between you and our Authorised Representative. Costs and remuneration will be disclosed in your Statement of Advice.

All fees and commissions are paid to NWG Financial Services, which deducts a fee for the services it provides as the licensee and then pays the balance to your adviser subject to any agreements. Some of our Authorised Representatives have referral arrangements with other professionals. Where a referral agreement is in place between the Authorised Representative and a third party, a fee may be paid or received. Detailed disclosure of amounts and percentages will appear in your Statement of Advice if applicable.

A review service fee may also be payable from time to time, depending on any extra work required such as a major restructuring.

Life Insurance advice

If you decide to purchase a life insurance product, unless stated to the contrary in your Statement of Advice, NWG Financial Services has elected to receive commission from the product providers and not invoice you directly for services provided. If you do not continue with a purchased life insurance product for a full 24 months, the commission received by NWG Financial Services is returned to the insurance company, and you may then be invoiced for this amount.

Investments and Superannuation advice

If you decide to proceed on the investment or superannuation advice provided, the fee you may be charged may be dollar based or may be calculated as a percentage of the amounts invested. The fee may also be an hourly rate.
